Visit and discuss technological challenges with prestigious Swedish steel-companies, SSAB, Sandvik, OVAKO, ABB, SWEREA and universities

Triple Steelix Industrial Region hereby invites PhD students from all over the world working in the fields of advanced steel processing techniques and advanced steel properties (special steel, high strength steel, stainless steel) to join the 4th Young Global Center of Excellence in Advanced Steel Summer Colloquium, an exciting experience over 10 days with interesting talks, meetings, lectures, visits and research exchange.

A step further in your efforts

Are you one of 15 PhD students to join our fourth and successful summer colloquium for a fortnight, full of inspiring activities? Meet, discuss and make contacts with renowned R&D leaders and organisations from Swedish world leading steel companies, academics from the universities and public bodies being a link to work-family-and living in the region.

Participate in state-of-the-art lectures. Discuss your work with industry leaders. Get inspiration from fellow participants. Enjoy a variety of social activities. Make valuable contacts and develop your worldwide network.

The YCEAS alumni network will also guide you to relevant contacts and keep you informed of future career opportunities in the Swedish industry or related academic world.

Registration fee

The registration fee, SEK 3,900 (approx. € 390), includes everything once you get to the meeting place in Sweden, as well as all activities, food & accommodation and all transport in Sweden. You only have to cover your travel expenses to get to and from the meeting place in Sweden, which could be sponsored by your institution.

Application

Applicants are required to fill in the application form on the YCEAS website www.yceas.se and submit an abstract describing your current research before May 4. Invited participants should then fill in the final application form and pay the registration fee no later than May 25. Invitations are limited to a maximum of 15 participants. The applications indicating the highest quality and relevance are to be selected.

Diversity encouraged. We welcome more women and traditionally underrepresented groups.

Poster Sessions

Each participant is expected to bring a poster in an A1 format. The posters will be used in different sessions, expositions and conferences.

You can get your poster printed here in Sweden if you submit it through the website no later than June 7. Design and format guidelines of the posters are available on the website.

Important dates

May 4	Application and abstract
May 11	Acceptance notification
May 25	Registration and fee
June 07	Poster submission
Aug 27	YCEAS starts
Sept 6	HTSC & Diploma Ceremony
